Dear Homeowners,

We would like to thank all of the homeowners who participated in the voting process for the three open board member positions. In addition, we extend a HUGE thank you to those who served on the most recent board, those who will roll over into the new board, and those who have participated in the past.

The result was the election of Wesley Donaldson, Cassandra Daniels, and Jennifer Paulson to the Board of Directors, to serve a term of two years.

The board is now comprised of the following members:

1. Jennifer Paulson – President
2. Wesley Donaldson – Vice President
3. Rajeene Rainey – Treasurer
4. Cassandra Daniels - Secretary
5. Rhonda Spearman

We ask for all to support the efforts of the board in managing the affairs of the community.

Thank You,

Dowell Farms Community Association Board
